DALAL WEB PRESENCE SCOPE • PAGES 01 & 02 OF 24 (TO BE ENGINEERED)

Public Client Gateway

ROUTE-01 Homepage & Machinery Showroom

○ TO BE BUILT: SYSTEM 1

Planned Route: /index.html

Primary Business Audience: Industrial Plant Owners, Factory Directors, Forging Sourcing Heads

Core Focus: High-Value Machine Sizing & Trust

WHAT THIS WEB PAGE WILL DO ONCE BUILT

A modern digital machinery showroom presenting heavy presses available for sale. Customers will see clear high-resolution photographs, verified machine tonnages, live video power trials, and a direct WhatsApp button to speak directly with Mr. Vinit Dalal. Eliminates buyer hesitation before calling.

BUSINESS VALUE & COMMERCIAL RISK IT PREVENTS

Eliminates buyer skepticism. Factory owners see that machines are physically present in the Pune stockyard (not fake broker listings), establishing instant trust for deals from Rs. 50 Lakh to Rs. 4 Crore. Protects corporate brand credibility against unauthorized market brokers.

KEY TANGIBLE SYSTEM CAPABILITIES (TO BE BUILT)

- ✓ Live Power Inspection Videos
- ✓ Direct WhatsApp Sizing RFQ
- ✓ Pune Yard Physical Verification

Key Management Feature: 1-Click WhatsApp inquiry button pre-filled with the exact machine model and capacity.

ROUTE-02 Company Heritage & Facility Dossier

○ TO BE BUILT: SYSTEM 1

Planned Route: /about.html

Primary Business Audience: Corporate Procurement Heads, Bank Valuers, Joint-Venture Partners

Core Focus: 50-Year Heritage & Partnership Authority

WHAT THIS WEB PAGE WILL DO ONCE BUILT

Presents the 50-year engineering heritage of the Dalal family, authentic photos of the Mumbai registered corporate office and Pune warehouse stockyard, and formal details of the official technical partnership with OMPI Italy. Proves company stability and capability to corporate buyers.

BUSINESS VALUE & COMMERCIAL RISK IT PREVENTS

Proves corporate legitimacy and financial stability, assuring plant owners that their advance payments and multi-crore machinery orders are in trustworthy, experienced hands. Protects brand equity and qualifies corporate vendor registrations with Tier-1 auto manufacturers.

KEY TANGIBLE SYSTEM CAPABILITIES (TO BE BUILT)

- ✓ 50-Year Heritage Timeline
- ✓ Pune Yard Facility Tour
- ✓ OMPI Italy Partnership Certificate

Key Management Feature: Visual timeline highlighting 5 decades of heavy machinery supply across India.
